 Re: “Repurposing Demolished Sites/ Reinvesting in Neighboring Properties” Training Sessions

IHCDA is pleased to announce a series of training sessions entitled “Repurposing Demolished Sites/ Reinvesting in Neighboring Properties.” The training sessions are designed to provide valuable information to potential Blight Elimination Program (“BEP”) applicants concerning the site selection, end use, and repurposing of lots included in the BEP. The training sessions will also cover resource identification and procurement, site-reinvestment strategies, and formulating a business reinvestment plan based on best practices.

Applicants, as local governments, and their prospective community partners may wish to attend. The general public is also invited. These training sessions are provided at no cost. Those that wish to attend should register at <http://www.eventbrite.com>.

For general information about the Blight Elimination Program and the application process, please visit www.877GetHope.org/blight. For more information about the training sessions, please contact Rayanna Binder at 317-372-7885 or RBinder@IHCDA.IN.gov. You may also email general comments, questions or concerns to Feedback@ihcda.IN.gov.
